## PAIN CONSULT & PROCEDURE ORDER FORM

\*\*Use this to order the following services and procedures. You may check off more than one service, of course. We have included authorization tips regarding the CPT codes that need to be authorized, and regarding site of service for pre-authorization for all fast track referrals. Please call our New Patient Scheduler (797-7246, x114) in our office for questions on pre-authorization of fast track referrals. (a downloadable version is available at <http://www.ipcaz.org>)
